

Theory of Change

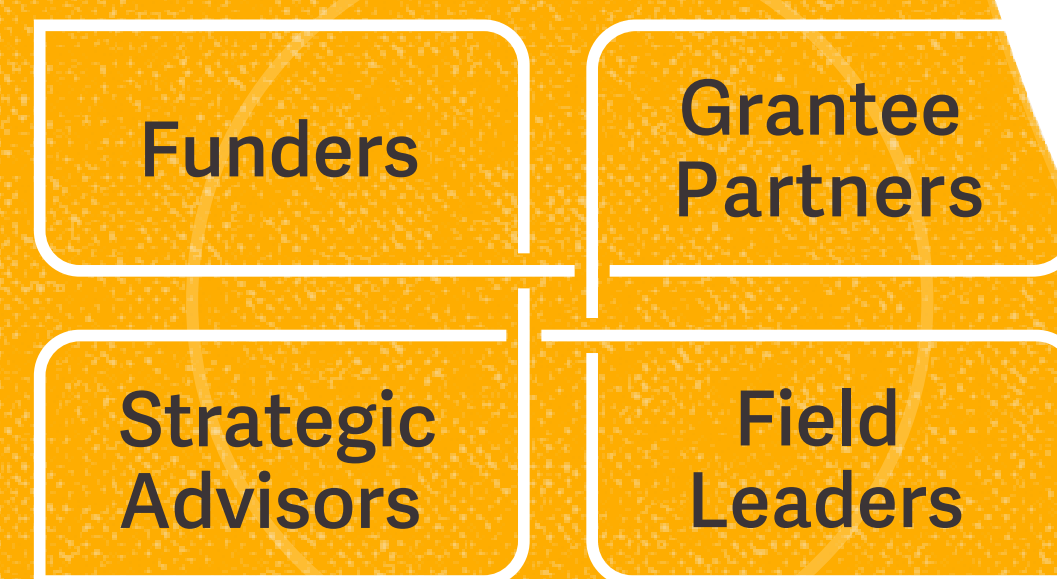

Our Purpose

Convergence Partnership invests in frontline, people of color led and staffed efforts to strengthen organizing infrastructures at the local and state level, and by mobilizing philanthropy to support this work.

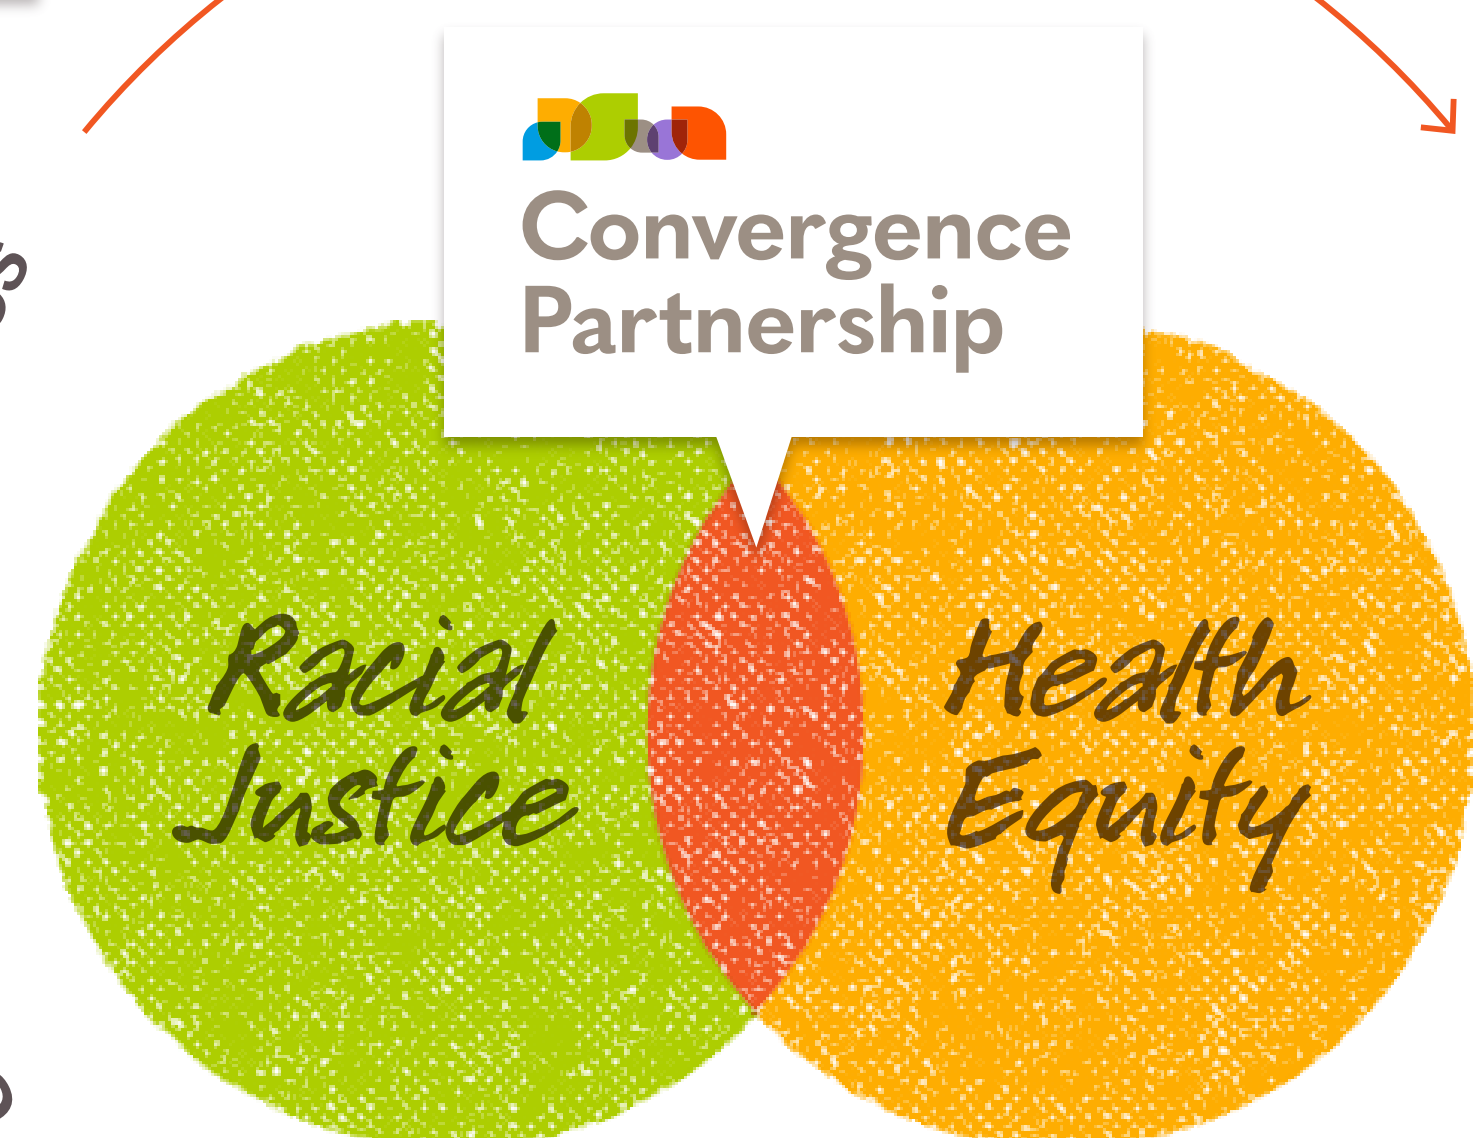

Tools We Use

-  Pooled, Flexible Grantmaking
-  Strategic Communications & Storytelling
-  Convening & Organizing

Our Ecosystem

Center Work in Values

Learn and Adapt

Advance Intersecting Strategies

-  Invest in People Power
-  Advance Narrative Shifts
-  Ignite Transformation in Philanthropy

Vision

Our vision is one where communities lead healthy, thriving lives in a racially just, inclusive society where they hold the power to shape policies and systems that impact their well-being.

Outcomes

- Increased community power and agency to transform racist policies and systems.
- Shifts in narratives and increased public and political will for racial justice and health equity.
- Funders demonstrate reparative practices and relationships that dismantle systemic racism and power imbalances.

Priority Places
